Airedale Rescue

Greetings, Cyn,

Hey, everyone! Got a few transports that need help this weekend!
Please notify Christina at mcprange@aol.com if you can help.

1. Bear, 10 mos old, needs to go from Montgomery AL to Bluffton, SC on Saturday 6/20. If you live along this route, and can help with any part of any of the defined legs needed, please email Christina at mcprange@aol.com. Here are the proposed legs:

Montgomery to Columbus, GA 1 ½ hr - Filled
Columbus, GA to Warner Robins 1 hr 48- Need
Warner Robins GA to Hardeeville, SC 2 hr 48 -

New Family will drive, however if you could drive 1 hr toward SC, that would help.

If you are able to help on Friday afternoon from Montgomery to Columbus, we do have someone traveling from Columbus to Warner Robins on Friday after work

2. Charlotte to Bluffton, SC

We need help moving Alexa from Charlotte, NC to Bluffton, SC. Please email Christina at mcprange@aol.com. We'd like to do this on Friday or Saturday.

Charlotte to Columbia, SC 1 1/2 hr
Columbia to Orangeburg, SC 50 min
Orangeburg to Bluffton - 2 hr

And now, some sad news.

Fly Free, Sweet Rosie

Almost everyone who gets this newsletter knows Christina. You've either worked with her on intake or transport issues, most likely.

Christina's precious Rosie Dale had been suffering from congestive heart failure. Last month, on May 20th, she was no longer able to stay with Christina and left for the Rainbow Bridge. Run free, sweet Rosie.

Action Jackson

Jackson is just coming into rescue from a family who loves him very much. However, as is often the case, life has interfered with their plans and left them little time to spend with Jackson. They want the best for him and that means a family who can cherish his special spirit.

Pearl, now a happy girl!

Pearl was found in a shelter, thin and underweight. It only took a few weeks of loving care to begin restoring her to her true Airedale nature.

Daley in her new home!

The sisters, together forever.

Daley,
of
Gracie
and
Daley,

guarding her new home. I love getting Mr. Jud's emails about them. He's got such a vivid way of telling me how well they're doing. And they're TOGETHER!

"They warmed up the quickest I've ever seen! They mind me better than any animal I've ever had also. I can call their name even if they are barking at something and they will come but I had to spend time with them for them to trust me I guess. I can tell they really trust me now. When I make their meal Daley especially will come in the kitchen and watch every move I make with Gracie right behind her. That's every meal. Of course I talk to them because I'm the only one here and I guess they've learned a word or two or several or know when I pick up their bowls that I fixing their meals. They're getting a lot of activity with this pasture and creek and sometimes I pay for it because I'll have to clean them up before they come in the house."

resting up. She KNOWS she's landed in high cotton, doesn't she?

What a COOL SUMMER FUNDRAISER!

I am just in love with our latest fundraiser. Okay, so it's not a big moneymaker, but it's very cool.

Check this out! It's for little fabric name tags that you can iron on or sew in! Very reasonably priced and perfect for the kids heading off to camp! Just click on the banner below to go to the website. And as cool as this is, this is even better -- ARG gets a small percentage of every sale IF you use this link.
