Sweet Farewell and Healing 'Dales

Thank you for helping.

Cyn,

Healing, happy 'Dales, and a bit of sadness have marked this first month of the year.

As always, our friends have stood by ARG with contributions, Aire blessings, and comforting emails.
We thank you.

Sweet Hope Gets Her Wings. 1990-2010.

Something you can do in her memory.

Beautiful, happy Hope -- a 20-year testament to the heart and spirit of Airedales everywhere. She brought an abundance of joy to those around her for two decades before crossing the Rainbow Bridge last week .

Hope was a rescued Airedale and deeply loved by her mom, Gale Ford. Gale is a longtime lover of Airedales and cherished friend to ARG. She has served hundreds of 'Dales with her generous heart.

Now we would like to do something in honor of Hope. Hope was a certified therapy dog for the Intermountain Therapy Dog Program. Vote in a contest for a grant that would really help the program. It is easy and would honor Hope.

1. Go to www.betterworldbooks.com
2. Click Vote Now at the top of the screen.
3. Click Intermountain Therapy Dog Program. Scroll down and click to vote.

HURRY VOTING ENDS JAN. 22.

Thank you.

Jackson Getting Back In Action

Healthy snacks can't hurt.

Thanks to his loving foster mom, his many friends and contributors, and the dedicated vets at NCSU Vet Teaching Hospital, Jackson is improving.

This sweet 9-year-old completed 20 radiation treatments before encountering severe pain that put him in the hospital for three days of critical care.

Jackson is home now and his tumor is diminished, however he is still on eight pain meds a day. And one carrot. Like most

'Dales, Jackson has smiled and wagged through the toughest parts.

Your continued support for this brave boy is so appreciated.

Gracie's Big Boo-Boo

Surgery day one.

Sweet, plump Gracie tore her ACL while simply walking. She was not a happy girl with a bald bottom and a very big boo-boo to fix her injury.

Gracie On The Mend

TLC works wonders.

Vets can help a torn ACL, but there's no substitute for TLC. (Or big yummy chewies.)

Gracie is on restricted activity for a six months for her knee to fully heal. Her devoted foster family is sticking by her and provided the critical hugs, kisses, and cuddles to see Gracie through.

Trio of Trouble!

Why we all care so much.

Ko ko, Lola, and Ty are true reminders of why we care so much for these incredible 'Dales. This cute trio belongs to longtime ARG friend, Alyssa.

Why do we love them? Sweetness, mischief, cleverness, curly faces, fluffy toes, tick-tock tails, and, yes, trouble! We love them because they're Dales!
